SYLVANIA

Contemporary twist on a classic bollard

START Bollard IP65

The new START Bollard IP65 is a modern take on the classic style bollard. Ideal for landscape lighting such as gardens, parks, pathways, and exterior commercial areas. Additionally, the START Bollard IP65 is suitable for coastal areas. The range is available in 0.5m and 1m with a robust IK10 rating.

START Bollard IP65

Features

- Contemporary designed bollard
- Perfect for landscape lighting such as gardens, parks, pathways & exterior commercial areas
- Salt spray tested for 1,000 hours
- Robust design meets IK10 requirements
- Available in 2 heights: 500mm & 1000mm

- High efficient thermal design: ta -35 to +50°C
- High performance: delivers up to 1100lm (luminaire lumen output), and up to 42lm/W (total system efficiency)
- Available in warm white (3000K) & Neutral White (4000K)
- Energy class: A++, A+, A
- Lifetime: 50,000 hours
